Mission
Established in 2006, the School of Sustainability’s mission is to educate a new generation of scholars and practitioners and create innovative modes of scholarship by bringing together leaders, stakeholders and people from multiple disciplines to develop practical solutions to the most pressing sustainability challenges.

What is Sustainability?
Sustainability is improving human well-being and ensuring social equity for present and future generations while safeguarding the planet’s life-supporting ecosystems.

Undergraduate Student Profile*
Barrett Honors Students: 18%
Pursuing Concurrent Degrees: 13%
Average Cumulative ASU GPA: 3.50

Faculty Profile
82 School of Sustainability Faculty
310 Sustainability Scientists and Scholars

Bachelor of Arts
Challenge Areas
International Development
Policy & Governance
Society
Urban Dynamics

Bachelor of Science
Challenge Areas
Economics
Ecosystems
Energy, Materials, Technology
