Mission

Our mission is to foster a network of sustainability scholars who have demonstrated academic excellence and are committed to solving global challenges of sustainability.

Vision

We envision a future where sustainable practices are a reality in global society. Through personal responsibility and commitment, we will further economic development, advance social justice, and foster environmental stewardship. Our actions will transform the future.

Goals

1] Foster a network of sustainability scholars – including undergraduates, graduates, alumni, and professionals – and empower them for success.

2] Recognize notable achievements that advance sustainability.

3] Stimulate a dialogue that frames complex issues in sustainable terms.

5] Contribute to the lives of others in a meaningful way.
